

Adopt-A-Book

The Laredo Public Library System is about to embark on a new and exciting journey ... within the next two years we are scheduled to open two new branches: The South Laredo Branch and the Northwest Branch! Funding has been secured for construction, but we need funds for books.

The Adopt-A-Book Campaign offers an opportunity for you to provide a book for these new neighborhood libraries. With a donation of \$25.00 you will receive recognition by having a nameplate inserted in a newly purchased book. LPL Librarians have selection aides available for recommended adoption.

To apply, please fill out the following information and mail it along with your check to : The Friends of the Library / 1120 E. Calton Rd / Laredo, Texas 78041 or you may drop it by the Main Library at the same address.
