

DESIGN SUBMISSION GUIDELINES

Multiple Designs Per Project Accepted

Submit your strongest concepts for each project you enter; images and scans at 300 dpi/ppi.

Single File Submission

Combine everything into **one PDF** or **Word (docx)** file for submission.

Final Submission

Once submitted, designs **cannot** be **modified** or **replaced**.

Apply to Multiple Projects

You're welcome to submit to other projects.

Tip: Choose your strongest ideas and make it shine!

Organizing Your Submission File

For each project submission, compile all relevant designs into a **single cohesive file** with the **title of the artwork(s)| design(s) clear on each page.**

This ensures a streamlined review process and presents your complete vision clearly.
