II. Public Notice Information

Complete this section to provide critical administrative information for the public notice process.

A. Contact Information

1. Enter the contact information for the person responsible for publishing. This representative is responsible for ensuring public notice is properly published in the appropriate newspaper and signs are posted at the facility site. The TCEQ will contact this person directly when it is time to authorize the public notice for the application.

2. Enter the contact information for the Technical Contact. This representative will be listed in the public notice as a contact for additional information.

C. Alternate	Language	Publication
--------------	----------	-------------

In some cases, public notice in an alternate language is required. If an elementary or middle school nearest to the facility is in a school district required by the Texas Education Code to have a bilingual program, a bilingual notice will be required. If there is no bilingual program required in the school nearest the facility, but children who would normally attend those schools are eligible to attend bilingual programs elsewhere in the school district, the bilingual notice will also be required. If it is determined that alternate language notice is required, you are responsible for ensuring that the publication in the alternate language

Question	Response	
Is a bilingual program required by the Texas Education Code in the School District?	Yes	
Are the children who attend either the elementary school or the middle school closest to your facility eligible to be enrolled in a bilingual program provided by the district?		
If yes to either question above, list all languages required by the bilingual program.	Spanish	

Date:	
Permit #:	
Company:	

IV. Small Business Classification	n	
Complete this section to determin following criteria are met. If these	e small business classification. If a small business classification. If a small business of the small business	isiness requests a permit, agency rules (30 TAC § 39.603(f)(1)(A)) allow for alternative public notification requirements if all of the ot have to include publication of the prominent (12 square inch) newspaper notice.
Question	Response	notice.
Does the company (including parent companies and subsidiary companies) have fewer than 100 employees or less than \$6 million in annual gross receipts?	No	
Small business classification:	No	
V. Plain Language Summary		
Applications deemed administrativ https://www.tceq.texas.gov/permitti	ely complete on or after May 1, 2022 must p ng/air/guidance/newsourcereview/nsrapp-to	provide a plain language summary of the application to be posted on the TCEQ website. Templates can be found at the link below.
Question	Response	<u>05.1011</u>
Is a Plain Language Summary as required by 30 TAC § 39.405(k) provided with the application?	Yes	
Is a Plain Language Summary in an alternative language as required by 30 TAC § 39.426(c) provided with the application?	Yes
